

Stufa a pellet ultra-compatta dal design moderno, ideale per riscaldare ambienti di media dimensione.

- Monoblocco in acciaio
- Maniglia in acciaio verniciato
- Deflettore d'aria
- Cassetto cenere estraibile
- Centralina di programmazione
- Pulizia ciclica del braciere
- Braciere in acciaio
- Rivestimento in acciaio verniciato
- Piano superiore in acciaio verniciato
- Scarico fumi di serie
- Telecomando

Pellet stove ultra-compact design, ideal for heating rooms of average size.

- Monobloc stainless steel
- Painted steel handle
- Air deflector
- Removable ash drawer
- Control programming
- Cleaning cyclic brazier
- Brazier
- Coating painted steel
- Top in painted steel
- Exhaust fumes series
- Remote control
